

**BC Cancer Agency**

CARE & RESEARCH

An agency of the Provincial Health Services Authority

*An opportunity to participate (via written submission) in the BC Cancer Agency's public forums on cancer care in British Columbia...*

Four sessions to gather feedback about cancer are being held around the province in the month of July at the BC Cancer Agency's regional cancer centres (all sessions from 6:30p.m. to 9:30p.m.):

- July 12 – Vancouver Island Centre
- July 19 – Centre for the Southern Interior
- July 23 – Vancouver Centre
- July 26 – Fraser Valley Centre

If you are unable to attend the sessions in person, you can submit your thoughts and ideas in written form. The public forums will be structured around three broad areas: reducing the incidence of cancer; reducing the mortality from cancer, and improving the quality of life for those living with cancer. To help us incorporate your feedback into a submission to the provincial government, please follow the format provided below.

**✓ Reducing the incidence of cancer**

What is working well?

What do we need to rethink?

How do we improve?

Who do we need to partner with?

✓ **Reducing the mortality from cancer**
