**RE: Health Canada Research Ethics Board Attestation Form (REBA)**

Since October 1, 2003 the UBC BCCA REB Certificates of Approval include the REB certification statement as well as all of the required REB contact information for the UBC BCCA REB office, the Chairs, and REB signature, which is accepted by Health Canada in lieu of the "REB section" of the (REBA) attestation form.

Submission of REBA forms to the UBC BCCA REB is therefore not required.

George Browman, MD
