Who We Are

BC Cancer – Prince George (Centre for the North) provides a comprehensive cancer control program, in partnership with Northern Health.

Community oncology network sites, operated by Northern Health, are located in Prince Rupert, Kitimat, Queen Charlotte, Dawson Creek, Fort St. John, Quesnel, Smithers, Terrace and Vanderhoof.

BC Cancer – Prince George is situated on the traditional and unceded territory of the Lheidli T'enneh First Nation.

What We Bring

Work with BC Cancer – Prince George and have access to leading-edge technology and research in specialty treatments and services including:

- Pilot project participation in Early Symptom Indicators for Cancer Care (EPICC) provides repeat symptom screening to better manage patients' quality of life during cancer care
- Treat approximately 50 patients a year with Stereotactic Ablative Radiotherapy (SABR) or Fractionated Stereotactic Radiotherapy (FSRT). This was made possible by our active participation in world class Clinical Trials
- Newest BC Cancer centre with a state-of-the-art facility showcasing LEED Gold certified design, reflecting local cultural values and purpose-built spaces for Indigenous ceremonies (including a circular spiritual care room)
- Leveraging 3D printing technology to create patient specific bolus to optimize patient treatment

REGIONAL CENTRE

Serves all of Central and Northern British Columbia from west to east

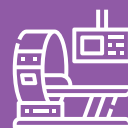

LEADERSHIP

Leader in Stereotactic Ablative Radiotherapy (SABR), high-precision cancer therapy research

RESEARCH

Be part of cutting-edge clinical trials and community-based research

TECH

Home to a CT Simulator, Varian TrueBeam Linear Accelerators, brachytherapy & dosimetry

BC Cancer Benefits

BC Cancer is part of the Provincial Health Services Authority (PHSA). Every PHSA employee enables the best possible patient care for our patients and their families. Whether you are providing direct care, conducting research, or making it possible for others to do their work, you impact the lives of British Columbians today and in the future. That's why we're focused on your care too – offering health, wellness, development programs to support you – at work and at home.

- Balanced Lifestyle
- Leading-Edge Technology
- Competitive Wages
- Generous Vacation Time
- Comprehensive Health Benefits
- Growth Opportunities and more!

"I love Prince George because it is one of the largest centres in the North but really it is still a small town. We have great outdoors...there are 100 lakes within 100km of Prince George, and a lot of nearby parks and hikes. I have never worked with a better team!"

– River Goerz, Registered Nurse, BC Cancer – Prince George
