

Patients with Mobility Aids

We are committed to meeting the requirements of our patients with mobility aids. If you use a walker, wheelchair or any mobility aid please let us know in advance so we can schedule your appointment to best support your needs.

If you are hospitalized at the time of your next appointment, please call your oncologist’s secretary (number on your appointment card) and let her know. This will greatly assist us in planning your care delivery.

The Fraser Valley Centre has a patient drop off area right outside of our main entrance door (the FVC site entrance is from 138th St and 96th Ave – see map attached).

Thank you
