

GPO Case Study Day

4.5 Mainpro+ Credits

November 17, 2017

Register today at www.fpon.ca

BC Cancer Agency

CARE + RESEARCH

An agency of the Provincial Health Services Authority

Please join us for **GPO Case Study Day** to be presented November 17 by the BC Cancer Agency's Family Practice Oncology Network – a great opportunity to address prevalent and emerging challenges in cancer care. Learn with and from your GPO and NP colleagues gaining knowledge and insight to benefit your patients.

Where: Room 3113, BC Children's Hospital Research Institute @ BC Children's/BC Women's Hospital, Entrance 18, 950 West 28th Ave., Vancouver

Registration and full details: www.fpon.ca

Learning Objectives: At the conclusion of this case-based CME program, participants will be able to:

- Describe and manage key patient care issues related to ovarian cancer, multiple myeloma and colorectal cancer
- Draw upon their network of peers more readily to improve the cancer care they provide

Cost: GPOs \$100, NPs \$50 – includes lunch
