

Welcome and thank you for joining us at the BC Family Practice Oncology Network's annual CME Day.

Our learning objectives are for you to be able to:

- Describe current developments and practice changing guidelines impacting primary cancer care;
- Translate new knowledge of oncology resources to strengthen clinical care; and
- Improve cancer management via their resulting influence on patient care.

This course has been reviewed and approved by the UBC Division of Continuing Professional Development, meets the certification criteria of the College of Family Physicians of Canada, and has been certified by UBC CPD for up to **5.75 Mainpro+** credits.
