FAMILY PRACTICE ONCOLOGY CME DAY

@ THE BC CANCER SUMMIT

5.75 Mainpro+ credits

NOVEMBER 23, 2019

Register today at bccancersummit.ca

Please join us Saturday, November 23, for Family Practice Oncology CME Day – a prime opportunity to gain new insight into the most in-demand oncology topics for primary care, and to build helpful cancer care connections.

Presented by the Family Practice Oncology Network as part of BC Cancer’s Annual Summit: critical education, professional development and unique relationship building.

Where: Sheraton Vancouver Wall Centre, 1088 Burrard Street

Especially for: Family Physicians, General Practitioners in Oncology, Nurse Practitioners, Oncology Nurses and Pharmacists

Registration and details: bccancersummit.ca

Our goals are for every participant to be able to:

- Describe current developments and practice changing guidelines impacting primary cancer care;
- Translate new knowledge of oncology resources to strengthen clinical care; and
- Improve cancer management via their resulting influence on patient care.

Cost	Family Physicians & GPOs	Other Disciplines
