

GPO CASE STUDY DAY

Accreditation Pending

November 18, 2016

Please join us for the inaugural presentation of **GPO Case Study Day** to be presented November 18 by the BC Cancer Agency's Family Practice Oncology Network – a great opportunity to address prevalent and emerging challenges in cancer care. Learn with and from your General Practitioner in Oncology colleagues gaining knowledge, insight and techniques to benefit your patients.

Where: Room 3113, Child & Family Research Institute @ BC Children's/BC Women's Hospital, 938 West 28th Ave., Vancouver

Registration and full details: www.fpon.ca

Learning Objective: At the conclusion of this case-based CME program, participants will be able to describe and manage key patient care issues related to venous thromboembolism in cancer patients, toxicities of Checkpoint Inhibition immunotherapies, and breast cancer.

Cost: \$100 including lunch
