

Pathfinders provide topic-specific lists of books, DVDs, pamphlets, websites and support programs related to cancer, as well as instructions on where to find each resource. There are unique Pathfinders for a wide range of topics, from coping with a recent diagnosis to life after cancer.

Pathfinders are a starting point for your information-finding journey – many more resources can be found by visiting a BCCA Library, Patient and Family Counselling, or the BCCA website (www.bccancer.bc.ca). While BCCA does recognize the information below as useful, Pathfinders are for educational purposes only and are not a substitute for the advice of your healthcare provider.

ADVANCED CANCER

Sometimes, in spite of the best efforts of healthcare providers, cancer advances to a point where it can't be cured. At that time, treatment has two goals: to maintain or improve quality of life or to extend life as long as possible. The following resources may answer some of your questions and help you to cope with this difficult diagnosis.
