

Pathfinders provide topic-specific lists of books, DVDs, pamphlets, websites and support programs related to cancer, as well as instructions on where to find each resource. There are unique Pathfinders for a wide range of topics, from coping with a recent diagnosis to life after cancer. Pathfinders can be found at www.bccancer.bc.ca/library.

Pathfinders are a starting point for your information-finding journey – many more resources can be found by visiting a BC Cancer Library, Patient and Family Counselling, or the BC Cancer website (www.bccancer.bc.ca). While BC Cancer does recognize the information below as useful, Pathfinders are for educational purposes only and are not a substitute for the advice of your healthcare provider.
