RE: Health Canada Research Ethics Board Attestation Form (REBA)

Since October 1, 2003 the UBC BCCA REB Certificates of Approval/Acknowledgment include the REB certification statement as well as the required contact information for the UBC BCCA REB office, and confirmation of appropriate authorization, which is accepted by Health Canada in lieu of the "REB section" of the (REBA) attestation form.

Submission of REBA forms to the UBC BCCA REB is therefore not required.
