

Cancer Drug Funding & Medical Expenses

1. How can I determine whether a drug is funded by BC Cancer?

Please refer to the following topics on the [Drug Funding](#) page:

- BC Cancer funding
- Other sources of drug funding
- Out-of-province

2. What programs are available to provide financial aid to cancer patients for other expenses that are not medication related?

The [Financial Assistance](#) section of the BC Cancer website contains information on obtaining financial assistance for cancer patients for the following topics:

- medical costs/equipment
- income loss
- childcare expenses
- financial support

The [Transportation and Lodging](#) section of the BC Cancer website provides information on financial assistance for cancer patients and their families for:

- travel to and from BC Cancer sites
- accommodation associated with cancer treatment appointments

Additional information can be found for:
